STEVEN R. PHELPS
MANAGER, SOX MANAGEMENT CONTROLS AND INTEGRATION

SUBJECT: Interim Management Advisory – Fiscal Year 2011 Financial Testing
Compliance Business Mail Entry Unit Oversight Reviews – Denver Business
Mail Entry Unit, Denver, CO (Report Number FF-MA-11-009)

This report presents interim results for the U.S. Postal Service Office of Inspector General's (OIG) fiscal year (FY) 2011 review of the U.S. Postal Service Financial Testing Compliance (FTC) group's business mail entry unit (BMEU) testing at the Denver BMEU, Denver, CO (Project Number 11BR004FF009), performed December 7-9, 2010. The Denver BMEU is in the Colorado/Wyoming District of the Western Area. At the conclusion of FY 2011, we will summarize the results for all reviews in reports to Postal Service Headquarters.

To comply with Section 404 Sarbanes-Oxley (SOX) Act of 2002 requirements, the Postal Service must report on the effectiveness of the agency's internal controls to ensure accurate financial reporting. It must submit an annual assessment to the Postal Regulatory Commission which monitors and manages the Postal Service's compliance with SOX. The Postal Service established the FTC to conduct tests of key financial reporting controls.

We conducted this oversight review in support of the independent public accountant's (IPA) reliance on Postal Service management's testing and overall audit opinions on the financial statements and internal controls over financial reporting. The IPA relies on the Postal Service's internal control testing to support the overall audit opinions.

The overall objective of our review was to evaluate whether FTC properly conducted and documented their examination of SOX financial reporting controls.

To perform this work, we observed FTC analysts conduct tests and reviewed their supporting documentation. We performed this review from December 2010 through January 2011 in accordance with the *Quality Standards for Inspections*.¹

¹ These standards were last issued by the President's Council on Integrity and Efficiency (PCIE) and the Executive Council on Integrity and Efficiency (ECIE) in January 2005. Since then, [The Inspector General Act of 1978 as amended by the IG Reform Act of 2008](#) created the Council of the Inspectors General on Integrity and Efficiency (CIGIE), which combined the PCIE and ECIE. To date, the Quality Standards for Inspections have not been amended to reflect adoption by the CIGIE and, as a result, still reference the PCIE and ECIE.

Conclusion

Based on our review of FTC's work, we determined the FTC analysts properly conducted and documented their examination of key SOX financial reporting controls. See [Appendix A](#) for the results of our review.

The interim FTC oversight review advisories will be issued to the SOX manager in final format. At the conclusion of the fiscal year, the OIG will summarize the results of all its FTC oversight reviews and include recommendations, if applicable, in a report to Postal Service Headquarters. Management agreed not to respond to the interim reports but will have the opportunity to formally respond to the draft summary report.

We appreciate the cooperation and courtesies provided by your staff. If you have any questions or need additional information, please contact Juan Gonzalez, audit manager, at 303-925-7425 or me at 510-285-9024.
